

MEET YOU in 10

**FASTENER
WORLD**
Hall 3-518

**International
Fastener Show China 2018**
10/21-10/23, 2018

In order to keep up with the development of fastener industry and market, and promote the fastener manufacturing enterprises to transform and update, Shanghai Fastener Industry Association will hold International Fastener Show China with Shanghai Fastener Exhibition Co., Ltd. The goal is to make IFS China one of the most commercially valuable and influential fastener shows around the world.

IFS China will attract manufacturers of fastener, machinery, mold and consumption, as well as fastener buyers, distributors and wholesalers at home and abroad to join the show. IFS China 2018 is the international exhibition for global colleagues in the fastener industry, which will fasten the relationship among us, giving us a platform to show ingenuity and pursue dreams. The pursuit of a stronger nation for fastener industry shall be fulfilled with your participation.

Fastener World Exhibitions Calendar

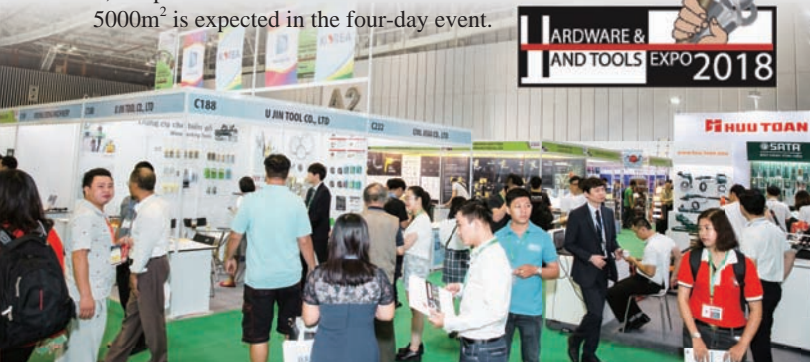

arranged by Fastener World Editors

**Vietnam International
Hardware & Hand Tools
Exhibition**

12/05/12/08, 2018

Vietnam International Hardware & Hand Tools Exhibition supports the development of key industries, like aerospace, automobile, construction, road, shipbuilding, woodworking and retail. The event last year- Vietnam Hardware & Hand Tools 2017 was successfully held, attracting over 218 exhibiting enterprises from 16 different countries and territories, at the total exhibition area of 4500m².

The organizer is ready to host the next edition in 2018 with bigger investment on a bigger scale. Vietnam Hardware & Hand Tools 2018 is scheduled at Saigon Exhibition & Convention Center (SECC), Ho Chi Minh City, Vietnam. Participation of 250 enterprises from 20 different countries and territories, and 9,000 professional visitors on the scale of 5000m² is expected in the four-day event.

**Fastener Expo
Shanghai**
06/26-06/28, 2019

Fastener Expo Shanghai and the con-current 10th Shanghai Automotive Fastener Show will be held on June 26-28, 2019 at National Exhibition and Convention Center (Shanghai). The venue will span 60,000 square meters and visitors will exceed 28,000 people. There will be over 700 exhibiting companies from 12 countries, including Germany, Italy, U.S., UK, Belgium, the Netherlands, Japan, South Korea, Taiwan, Hong Kong and China, showcasing fastener equipment, dies, wires, and so on to provide a one-stop purchase platform for the fastener industry. This show will expand the "automotive & high-strength fastener zone" and showcase the latest standard and non-standard fasteners and mechanical components to connect the upstream and downstream industries and boost the development of the automotive industry. ■
