Ningbo Weifeng Fastener Co., Ltd.

provided by Weifeng

Ningbo Weifeng Fastener is one of the leading manufacturers and distributors of fixings and fasteners with rapid growth in China. It has customers from more than 100 countries around the world. With over 13 years of experience in fasteners, Weifeng has supplied quality screws, bolts, nuts, washers, anchors in all shapes and sizes to its business partners in the EU, America, Poland, Romania, Indonesia and so on. OEM and ODM orders are welcomed.

To ensure the products are of market-leading quality, Weifeng produces each item using the latest and modern production machinery from Switzerland and Italy in its facilities. Moreover, it carries out in-house QC measures at multiple stages in its ISO 9001:2015-certified facilities, storing all results in its central databank. Weifeng makes sure that its manufacturing processes are streamlined and able to yield a high volume of products in a short time without compromising on quality.

"To mabe every building, every bridge, and every house, installed with Weifeng's fasteners" is Weifeng's company mission. As stated in its company vision, "Our customers, both large and small, receive undivided attention, as we treat every one as the only one. Our work with customers is integrated into such an array of products and services and our touch is felt throughout daily life in both workplaces and a home. Weifeng builds products, brands, and a good reputation that is worth your trust."

Weifeng fastens the world, fastens life! We build tomorrow! ▣
