management ideas and technology with Chinese companies. This event used to attract the participation of more than 120 member companies every year. At that time, the economic growth rate of China increased by around 8% every year, thus attracting many Taiwanese companies to invest in China.

BATIMAT in France

Influenced by September 11 Attack in the U.S., the number of visitors of the industrial event for the construction industry-BATIMAT held in France was less than the record of its previous edition. However, the event still attracted visitors from 128 countries, including 25 from Taiwan.

Da Yang Enterprise Receives QS9000

After Receiving TÜV ISO9002 in 1999, Da Yang Enterprise Co., Ltd. began the introduction of QS9000 in 2001 and passed the preliminary audit conducted by BSI in Nov. 2001 and the final official audit in late Dec. President Nick Yang said, "Passing the certification is like getting a VIP ticket to the international market. Facing the price cutting competition from other emerging countries, Taiwan should have its own unique products with high added value to face challenges.

New Plant Inauguration of Chang Chi Metal

On Jan. 26, 2002, Chang Chi Metal Industry Co., Ltd. gave the inauguration of its new plant. The new 6,611 sq. m plant is located in Gangshan (Kaohsiung) and is specialized in manufacturing special nuts. Its monthly capacity at that time was up to 10 million pcs.

Canadian Hardware & Building Materials Show

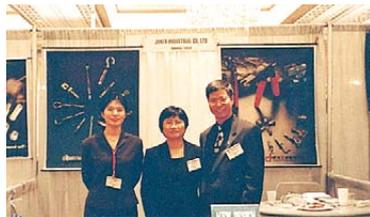

This was not a “free entry” show, so visitors required to buy a ticket for entry were basically prospects. Fastener World Inc. also brought 7 Taiwanese exhibitors to the show, which was then the largest, the oldest and the most omnibearing hardware and building materials show in Canada.

Japan DIY Show Osaka

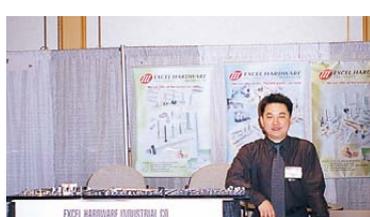

On April 2002, Japan DIY Show took place in Osaka, attracting 478 exhibitors in attendance (including 308 from Japan and 107 from other countries). Among all the 107 non-Japanese exhibitors, 98 of them were from Taiwan, making Taiwan the largest overseas exhibitors group of the year.

National Industrial Fastener Show/West

National Industrial Fastener Show/West 2001 was held at Paris Las Vegas Hotel. Although the show opened right after the attack of September 11 and many exhibitors worried that the number of visitors to the show might not be as many as expected, the participation of visitors during the event was still vibrant and more than expected. Fastener World also brought over 30 Taiwanese exhibitors to exhibit at the show.

Wire Düsseldorf 04/08-12, 2002

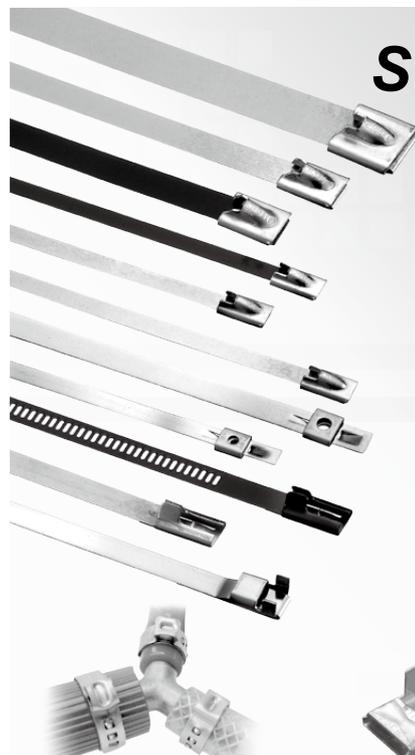

International Hardware Fair in Cologne

Having been held for several times, International Hardware Fair Cologne drew the attendance of 3,859 exhibitors from 59 countries (including 455 Taiwanese exhibitors). 72% of the visitors were from other countries, greatly increasing the internationality of the fair.
