FASTENER FAIR GLOBAL

From 25 - 27 March, industry professionals will meet in Stuttgart for the 10th edition of Fastener Fair Global – the international flagship event for the worldwide fastener and fixing industry. After a record attendance in 2023, visitors can look forward to another transformative event full of networking and business opportunities, with premier access to top-tier suppliers from across the globe. 2025 will see the launch of two focus pavilions, promoting specialist solutions for a fast-changing industry.

Nearly one month ahead of the show, more than 900 companies from 44 countries have already confirmed their participation at Fastener Fair Global 2025, covering a gross exhibition space of well over 52,000 square metres. Visitors can expect a stellar line-up on the show floor, presenting the full supply chain for fastener and fixing elements in manufacturing, construction, and other industrial applications.

Over three days, there will be numerous opportunities to personally engage with innovation leaders like: Ambrovit, Böllhoff, Chavesbao, Eurobolt, Fastbolt, Index, Inox Mare, Lederer, Norm Fasteners, Obel Civata, Paal, Pasvahl, Reyher, Sacma, Schäfer+Peters, Tecfi, WASI, Würth, and many more. Filling four expansive halls, they provide a unique cross-section of the global fastener and fixings sector, with significant participation from Germany, Italy, China, Taiwan, India, Turkey, the Netherlands, the United Kingdom, Spain, and France.

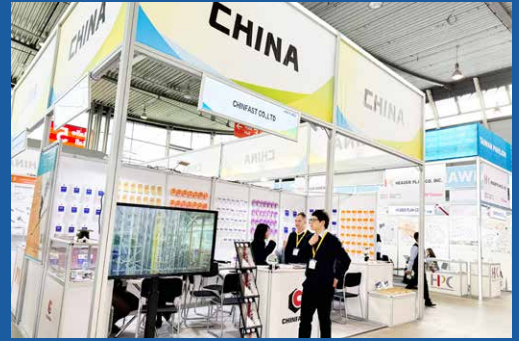

With its unmatched coverage of fastener and fixing products and related equipment, Fastener Fair Global 2025 is expected to attract widespread interest from diverse markets. In 2023, key visitor sectors included metal production, automotive, distribution, construction, mechanical engineering, hardware & DIY retailing, and electronics. Nearly three in four visitors came from outside Germany, pointing towards the increasing global reach of the show.

2025

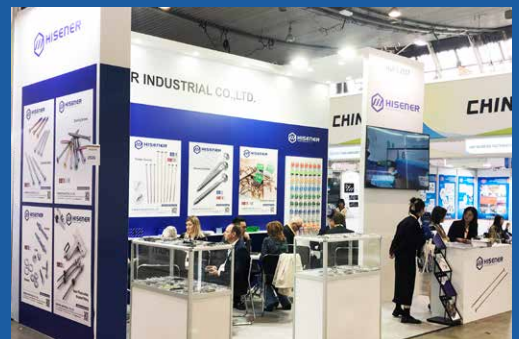

Fastener Fair Global is the world's most popular and largest exhibition for fastener professionals. Europe has always been a very important market for Chinese fastener industry, and this year more than 200 Chinese fastener-related companies will travel to Stuttgart (Germany) to participate in the show. Hisener Industrial, Dongguan Grand Metal, Shanghai Fast-Fix, Ningbo ABC, Jiaying Kinfast, Sailuk Rivet, Haiyan Weishi, Ningbo Weifeng, Beijing Jinzhaobo, Chinfast, Handan Xiaojun, Jiangsu Yongyi, Jiaying Goodway, Jingle-Tech, SSF Industrial, Yuyao AKF, etc., which emphasize on quality, service and delivery, will be all present to strive for more orders from European customers.

As one of the major overseas exhibitors groups this year, professional manufacturers and suppliers from fastener manufacturing heartlands across China will also take advantage of the biennial exhibition to showcase their wide range of finished/semi-finished standard fasteners, production machinery/equipment, tooling, power/pneumatic/manual tools for architectural, automotive, industrial and other applications, as well as customized non-standard products with OEM services to professional buyers.

Serving European Buyers, 200+ Chinese Suppliers will Exhibit

Chinese fastener manufacturing industry has continued to progress towards automation and intelligence of production lines in recent years with the introduction of more modern equipment and new technologies, and it has also continued to enhance its technology and capacity through the establishment of new plants or different forms of cooperation with foreign customers, in the hope that it can serve more customers with huge demand. □
