“Grasp all best suppliers into
your pocket at once”

Fasteners and Tools.....p395~462
Machinery, Tooling and Others....p463~479

With the continuous rise in corporate operating costs these days, how to find out a purchasing source that is the most labor and time saving has been a priority for every “smart” purchaser to do. Don’t waste your time again on doing aimless Google search and finding out nothing that suits your needs!

In the BUYERS’ GUIDE of Nov. this year, we have made our effort as possible as we can to include the most reliable and well-known suppliers from the field of finished/semi-finished fasteners, wire coils/rods, raw materials, molds & dies, processing machines, secondary processing equipment and peripheral logistics service, which have been well-known for their technology, quality, and service for years, making each of your purchase the fastest and most efficient one.

Scan and View

More ergonomic layouts of the supplier directory to make your search quicker and simpler. Just scan any QR Code of a certain supplier that interests you with your smart phone, you are able to view the detailed suppliers’ profiles including contact info, products & service, certification & and patents immediately.
